

TS MAX TURF

Football Artificial Turf, Umbrella Shape Filament

This football artificial turf is one of the most excellent products we can supply. The secret lies in over 30,000 friction tests conducted through Lisport XL artificial grass test machine. This is why the fake grass features durability, anti-glare and anti-slopping performance. The fibers of this product are thick and the lifespan has been largely improved to over 8 years. This fake turf's filament has passed FIFA LABORATORY TEST and meets the standards of FIFA Quality & Quality PRO.
